Do they know it’s Christmas Band Aid – 1984

It's Christmastime, there's no need to be afraid
At Christmastime, we let in light and we banish shade
And in our world of plenty we can spread a smile of joy
Throw your arms around the world at Christmastime

But say a prayer, to pray for the other ones
At Christmastime, It’s hard, but when you're having fun

There's a world outside your window
And it's a world of dread and fear
Where the only water flowing is the bitter sting of tears
And the Christmas bells that ring there
Are the clanging chimes of doom
Well tonight thank God it's them instead of you

And there won't be snow in Africa this Christmastime
The greatest gift they'll get this year is life
Oh, where nothing ever grows, no rain or rivers flow
Do they know it's Christmastime at all?

Here's to you, raise a glass for ev'ryone
Here's to them, underneath that burning sun
Do they know it's Christmastime at all?

Feed the world
Feed the world
Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again
