

"She's Electric" Oasis 1995

She's electric She's in a family full of eccentrics  
She's done things I never expected  
And I need more time  
She's got a sister And God only knows how I've missed her  
And on the palm of her hand is a blister  
And I need more time

And I want you to know  
I've got my mind made up now  
But I need more time  
And I want you to say  
"Do you know what I'm saying?"  
But I need more

'Cause I'll be you and you'll be me  
There's lots and lots for us to see  
There's lots and lots for us to do  
She is electric, can I be electric too?

She's got a brother We don't get on with one another  
But I quite fancy her mother  
And I think that she likes me  
She's got a cousin In fact she's got 'bout a dozen  
She's got one in the oven  
But it's nothing to do with me

And I want you to know  
I've got my mind made up now  
But I need more time  
And I want you to say  
"Do you know what I'm saying?"  
But I need more  
'Cause I'll be you and you'll be me  
There's lots and lots for us to see  
There's lots and lots for us to do  
She is electric, can I be electric too?

Can I be electric too?  
Can I be electric too?  
Can I be electric too?
